Optional Processing:

- Vacuum seal ground beef +\$0.15/lb (vacuum seal ground beef comes in flat, square packs)
- Ground beef patties +\$5.00/10 lb. (40 patties)

Our cattle are raised in the manner that nature intended—grass finished, providing you with a healthier choice. All beef is dry-aged, cut, sealed and frozen; ready to be enjoyed!

We use no routine antibiotics, no growth hormones, and raise our animals on organic pastures, in quiet meadows and mountaintops. We believe in a stress-free environment.

*Based on hanging weight and are approximate (actual may be higher or lower).

**Package lbs. is ~66% of hanging weight
